ORDER:

In the reference read above, the Managing Director, AP Markfed, Hyderabad has stated that the activities of A.P. Markfed are growing year after year that during the last three to four years, Markfed has achieved significant progress in procurement activities under MSP and MIS and also distribution of various inputs like fertilizers, Zinc Sulphate and gypsum under subsidy scheme that the plan of action for the current year and also for coming years is quite challenging with decision of the Government permitting Markfed to raise a loan of Rs.500 crores exclusively for input supply by pre-positioning the stock duly agreeing to reimburse the interest on the said loan.

2. The Managing Director, A.P. Markfed, Hyderabad has further stated that while the activities are constantly growing, the strength of staff is depleting year after on account of huge number of retirements that it has become a major task for Markfed to deploy the staff to achieve the targets that the present total strength of staff is only 175, in which the total executive staff including officers is 120 and the rest are sub-staff and teaching cadres. Which is going to be further reduced by 30 by the end of this year and by 2010 and the total staff strength of all cadres would be only 80. Keeping in view of the above the Managing Director, A.P. Markfed submitted proposals to the Government seeking permission for recruitment of (30) Agril. Graduates on regular basis and at least (20) Agril. Graduates immediately as many of the District Officers of Markfed are not having technically qualified personnel to deal with the Agri. oriented activities.

3. The Managing Director, AP. Markfed has also stated that the issue was discussed in the review meeting conducted on 28-2-2008 by the Principal Secretary, Finance and Principal Secretary, Coopn. & Mktg with all departments in the Implementation Committee Meeting held on 1.3.2008.

4. Government after careful examination of the proposal hereby accord permission to A.P. Markfed to recruit Fifteen (15) Agriculture Graduates as Management Trainees and Ten (10) Jr. Executives on regular basis in accordance with rules after following due procedure without any financial implication on Government.
